The IEEE SB SNGCE conducted a treasure hunt on 14th October 2022, around the SNGCE campus. The treasure hunt was conducted to promote IEEE and its activities among the students. It gave them an opportunity to interact and connect with each other. It helped in team building. Over 75 students participated in the event in teams of 4 or 5 each. Clues directing the participants to a few places in college were given to the participants, and then they were supposed to go to that particular place and find the next clue and so on. The event was extremely successful

IEEE ORIENTATION IN CONNECTION WITH IEEE DAY CELEBRATION

IEEE CS SBC SNGCE conducted IEEE orientation session virtually using google meet platform. The event was handled by Mr. Govind Sankar, Chair IEEE CS SBC SNGCE and Mr Justin Jacob, Vice Chair, IEEE CS SBC SNGCE. The event was held at 2:00 pm on 9th October, 2022 and was attended by over 60 passionate students. During the session, Govind and Justin explained about the benefits of joining IEEE and answer all the questions the students had. This event was done in connection with the IEEE day celebration. The event was a grand success and many students took memberships in IEEE and computer society. The event helped uninformed students learn about IEEE history, benefits and costs.

TECHNICAL TALK- THE NITTY-GRITTY OF REFERENCE MANAGEMENT

A technical Talk was held on 29th of July 2022 after the Computer Society chapter inauguration. The session was handled by Dr. Anoopkumar M. at the ground floor PG seminar hall of SNGCE's PG block. The event was exclusive to IEEE members. Dr. Anoopkumar M is an ass. professor at the MCA dept. of SNGCE. The talk was focused on the structure and format of research papers. The participants were introduced to various new technology and software used for reference management as well as it's history. The session was particularly useful for the 3rd and 4th year B.Tech students who were interested in writing a technical paper regarding their projects.
