BLOOD DONATION CAMP

As part of NSS activities of SNGCE, we have conducted a blood donation camp at our campus in association with ERNAKULAM GENERAL HOSPITAL & HDFC BANK .It was conducted on 18/10/2023. Many students were part of this one-day camp. Before the blood donation process, donors are screened for eligibility and their medical history is evaluated to ensure that the blood is safe for transfusion. After the donation process donors are given refreshments to help replenish their energy levels. The collected blood is then sent to blood banks for storage and distribution to those in need.

The NSS blood donation camp is an excellent opportunity for volunteers to promote awareness about blood organized n SNGCE campus was a great donation.

The camp organized in SNGCE campus was a great success more than 30+ students have donated blood. The program was held with active involvement of program officer Beena T Balan and assistant program officer Dr. Prashant K.
